Dear Mr. Wesolowski:

Thank you for your follow up report, apparently the former engineer did not have a chance to reply to your original letter. I checked my files and found that there was indeed a frequency check on 5/13/74. Our next check should be on 4/14/75 at 1045.

Thank you for your interest in WNYR.

Sincerely,

Geoffrey Felger  
Chief Engineer
