OF RADIO STATION **WRCA****

ON January 1, 1959

AT 1:22 AM to 1:36 AM **AT 660 kc.**

Best wishes for continued success
in your DX listening.

Cordially... **JOHN FLYNN**... *Chief Transmitter Engineer*

WRCA-660... New York, N. Y.

January 6, 1959

Dear Mr. Wesolowski; WRCA-AM operates continuously on 660 kilocycles except for the time period from 1.10 AM to 5.26 AM each Monday morning, Eastern Standard Time or Eastern Daylight Saving Time as the case may be. During this time, our frequency is clear of carrier and modulation from 1.10 AM. At approximately 4.45 AM, carrier only is on the air except for two identifying announcements and at 5.26 AM the normal program is resumed.

I trust this is the information you wish and we wish for you a successful DX period of DX listening to KOWH. Our frequency will be clear for this unless we have some special tests but if you will further advise us of the date of your DX show we will endeavor to hold any special tests in abeyance for your DXer's Radio Club.

Sincerely yours,

John M. Flynn,
W4H.
