Dear Mr. Wesolowski:

We are pleased to acknowledge your reception of Radio Station KCRC in Enid, Oklahoma on Tuesday, June 11 at approximately 1:00 am local time as detailed in your recent letter.

Please accept my apologies that your previous letters were not answered promptly. That is not our normal procedure. The delay in answering this one was because you had addressed it to me personally and I only today returned from vacation.

Congratulations on receiving KCRC.

Sincerely yours,

Pat Murphy
