Dear Ernest,

I hope that this will serve as an answer to your reception report to our station. We were happy to hear that you were able to pick our station up. We are AM and FM now, and what you heard was the AM portion of our broadcast day signing off. It is still a daylight operation and the FM portion goes till midnight.

Thank you again for your report and sorry to be so long in answering your letter.....

P.S. You mentioned that you were getting some interference from station KAMI in Cozad, Nebraska....I just came from that station to work here. I used the name, Scotty Winter while working there.
