Dear Mr. Wesolowski,

This will confirm your reception report of KRBB'S frequency check on January 27, 1976. The check is made the last Tuesday of every month from 5:15 am to 5:30 am central standard time.

In answer to your question about KBJS, the station was never put on the air, and all action on the permit has been dropped.

Thank you for your report and if I may be of further service, please let me know.

Sincerely,

A handwritten signature in blue ink that reads "Paul Demaree". The signature is written in a cursive style.
