Dear Mr. Wesolowski:

I happen to be going through some old files and ran across your follow up letter dated 11-6-77 and discovered that an acknowledgement of your reception of KRMC had never been sent. Although this is nearly 7 years late in getting to you I would like to acknowledge your reception and confirm the programming as that of KRMC. The programming corresponds with our program log for Sundays

Please accept my apologies for being so late in responding to you.

Sincerely,

Dale Williams
General Manager
