Dear Mr. Wesolowski:

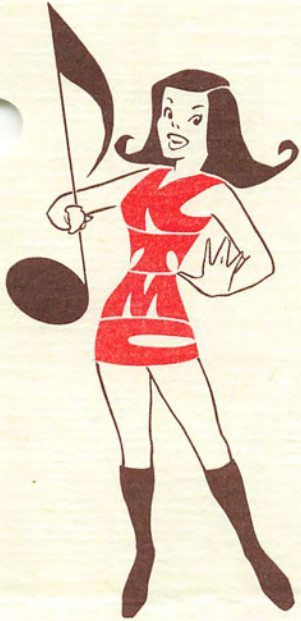

This is to verify your reception of Radio Station  
KTMC on July 9, 1974, from 12:32 to 12:45am during  
our Frequency Measurement Check.

K T M C operates on 1400 KHz with the power of 1000  
watts during the day and 250 watts at night from our  
studio-transmitter location at 2020 North A Street  
here in McAlester, Oklahoma.

Thank you for your report and visit. Good luck with  
your hobby of DXing.

Sincerely yours;

K T M C, Radio McAlester

Thank you, Mr. Wesolowski,

. . .for your DX report on KTMC.

I recently pruchased the radio station, closed on November 15, and found your letter among things that were not answered by the old ownership.

Please accept my applogies for the slow response.

This will verify your reception of KTMC on July 9, 1974.

Best wishes to you during this holiday season. If we can be of further service to you, please let me know.

Cordially,

  
Ed Montray, President  
Montray Broadcasting, Inc.
