Dear Mr. Wesolowski:

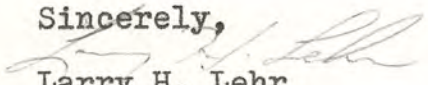

This will verify your accurate reception of our station from 5:13 to 5:15 pm CST on December 9, 1971.

Your logging is correct for that date, however I would question your logging of January 19, 1959. I didnt check our old logs but we should have been off the air before the time you mentioned in your letter (we probably goofed though). I am enclosing a Xerox of our coverage map for your files.

The KYAL you mentioned in Eastern Texas is located in McKinney, Texas just north of Dallas. You may want to try sometime to tune both it and KBBB in Borger, Texas. Both share 1600 with us.

Good to hear from you!

Sincerely,

Larry H. Lehr
Station Manager
