This is to confirm your reception of KXXO Radio on Tuesday, January 15, 1974.

KXXO Radio operates on 5000 KW days and 1000 KW nights, at 1300 on the AM dial. Our programming is easy-listening music programmed for the 25-49 year old adult listener. We are the first radio station in Oklahoma to program a solid block of news, The Tulsa Morning News, 6:30-8:30 a.m. and we are a CBS network affiliate.

Our station is owned by San Antonio Broadcasting Inc., which also operates KMOD-FM Radio at 97.5. Our FM station programs progressive rock music aimed at the 18-34 year old adult.

Hope you can listen to us again.

Sincerely,

A handwritten signature in blue ink that reads 'Judy Thoele'.
