Dear Ernest,

Thank you for your DX reception report. We always enjoy hearing from persons that have heard our station at phenomenal distances. Your detail of our news and sign-off is fairly accurate. The announcers name in both cases was Miss Mary Hercyk.

We have had trouble getting our coverage map printed, so I have enclosed a rather crude drawing of our 0.5 Mv/M coverage. I hope that this will give you some idea of our signal.

Normally we sign off at 11:07 except Saturdays when we sign off at 12:07 AM. Occasionally we are on late due to weather or Cardinal Baseball. This may explain why you have not picked us up in the past.

Thank you again for your report. It has been a pleasure hearing from you.

Sincerely,

Tom Muchmore
