Transmitter - NORTHERN ELECTRIC

Studio Equipment - RCA

Antenna - 245' VERT NON-DIRECT.

ROGER KLEIN

Chief Engineer.

Greetings Ernest:  And many thanks for your very fine report. This D.X. turned out to be the best yet held. It seems that CJOC gives us considerable amount of trouble all over the map. Should you ever hear us off the cuff, I would appreciate it very much; if you let us know about it! Thanks again Ennie and 73's
