Dear Mr. Wesolowski:

I'm sorry you had to send us a second letter concerning your reception of our radio station 580/CKPR, Sunday, October 20th, 1974.

I have checked out your broadcast log commencing 12:52 CDT with Sports Scores by Dave Barrett and ending 12:57.20 CDT. This, of course, would be 1:52 EDT in our area.

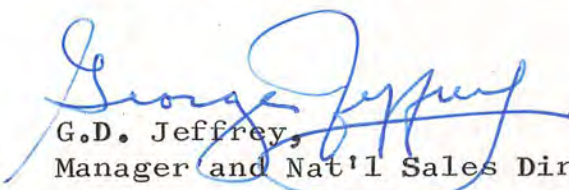

I appreciate as well, you sending me the little music chart of KOIL which I have passed to our Programming people.

I am sending you a copy of our little brochure which shows our coverage map inside super-imposed over a Department of Mines map and also shows the coverage areas of the other three stations in our Northwestern Ontario group, CKDR-Dryden, CJRL-Kenora, and CFOB-Fort Frances.

I trust you will find this sufficient for your records and our maps rather interesting.

Yours very truly,

CKPR RADIO STATION

G.D. Jeffrey,
Manager and Nat'l Sales Director.
