RED LION, PENNA.

1440 KILOCYCLES  
1000 WATTS

Jan. 30-61 -

Mr. Ernest Wesolowski  
1416 Pasadena Ave.,  
Omaha 7, Nebr.

Dear Mr. Wesolowski; -

Yours of Feb. 15-60 received  
Contents noted. This is to verify what  
you have written is true. I do not recall  
of any report coming from you in the  
past. However I trust this will satisfy  
your inquiry concerning your report for  
Feb. 15-60. Our antenna is 201 ft which  
makes it at the top of the tower about 1100 ft  
above sea level. Our coverage for AM is  
about 100 miles all directions from Red Lion,  
Pa. We reach near Wash. D.C., So. North Reading  
Pa. East Newark, Del., near Wilmington Del., West  
near Lewistown Pa. and in between. As for a coverage  
map, we had some printed but they are all.

We cover seven Counties in So. Penna and 5 Counties  
in Md. and one Co. in Del. N. Del. very well.

We now have FM on 96.1 Tunes on that  
We begin 6:30 A.M. - 12:00 mid-night Mon. Sets  
Sun. Feb. 5 will also be 12:00 mid-night. Before it was  
11:00 P.M. I am yours very truly,

Rev. John H. Norris owner & Dir.  
"The World For God, Christ and The Bible"
