Dear Sir:

In regards to your letter reporting reception of our signal on the thirtieth of last month, the report is entirely correct.

The reason for your reception was due to a malfunction at our transmitter which did not take us from 10kws to our night time pattern of 5kws. The malfunction has now been corrected as you have probably surmised since we are not coming in to you. Thank you for your letter.

Yours truly,  
*Rae Hathaway*
