DEAR MR. WESOLOWSKI:

YOUR UNUSUAL REQUEST FOR VERIFICATION OF C J N B RADIO WHILE ON 1460 KHZ ON JUNE 20, 1961 CAN BE CONSIDERED VERIFIED AS THIS WAS ABOUT OUR PROGRAMMING THEN. OUR NEW FREQUENCY OF 1050 KHZ GIVES US A MUCH BETTER COVERAGE IN SASKATCHEWAN AND ALBERTA.

THE HOBBY THAT YOU HAVE SOUNDS VERY INTERESTING.

SINCERELY,

A handwritten signature in blue ink that reads "Al Ruell" with a small "TV" written to the right.
