Dear Sir:

I am sorry we did not receive your first request but for some reason we did not and we just received ^{your call} a few days ago.

You report reception on Thursday, June 13, 1974 from 6:03 AM until 6:08 AM EST. The information you reported seems to be correct and our logs verify the same. We like to hear from DX listeners from all parts of the country----you are the first to report from your area and we were pleased to hear from you.

Keep listening and thanks for your report.

Yours truly,

Lemuel H. Stephens, CE
