Mr. Ernest J. Wesolowski
1416 Pasadena Avenue
Omaha, Nebraska 68107

Dear Mr. Wesolowski:

This letter is to again verify your reception report. I assure you your initial report was acknowledged as my file shows. We appreciate your interest and time and all other DXers and always verify when they correspond with our programming.

I am sorry your initial report was not verified but I assure you the verification was most definitely mailed.

Sincerely,

JACK WILLIAMS
Chief Engineer
