Dear Mr. Wesolowski,

Your letter was refered to me as I was the announcer on duty that evening you were DXing us, and also because as a ham radio operator (WA2DRO/5) I know what it is for someone to QSL.

As we don't have any glossy QSLs persay I hope this letter will serve as a confirmation of your DX. Let me also say that its just as thrilling for a BC station to recieve signal reports from an SWLer as it is for you to hear us.

I'm sorry if you were delayed in recieving this response.

Sincerly,

Bruce D, Barlowe
