Dear Mr. Wesolowski:

Thank you for your report of reception of Monday, January 22, 1973. We find this report to be in accordance with our records for time logged.

It was interesting to learn that you had previously heard this station when it had the call sign KVPH. ---Same Transmitter--.

Thank you for your report. Sorry I do not know anyone at KIKZ in Seminole, Texas. The industry yearbook shows Michael Horne as president and Guy Russell as general manager.

Yours very truly,

Wes Ninemire
