**50,000 Watts**

April 19, 1960

Mr. Ernest J. Wesolowski  
1416 Pasadena Avenue  
Omaha 7, Nebraska

Dear Mr. Wesolowski:

Thank you for your interest in our station and the nice report.

We take pleasure in confirming your reception of Radio Station KCTA on April 8, 1960 from 0625 to 0634 C.S.T. while operating on a frequency of 1030 KC/s with a power of 50,000 watts.

The KCTA studios are located at 402 South Chaparral Street in Corpus Christi and the transmitter approximately two miles north-east of Gregory, Texas. The tower is a square-tapered radiator 255 feet high. At the present time, we have no coverage map available.

With very best wishes from all of the staff,

Cordially,

RADIO STATION KCTA
