Mr. Ernest J. Wesolowski  
1416 Pasadena Avenue  
Omaha, Nebraska 68107

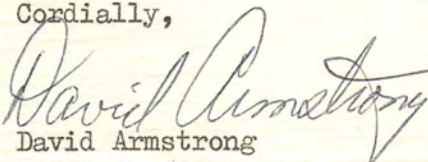

Dear Mr. Wesolowski:

This will confirm your reception of KEYH, November 13, 1977, from 1729 to 1730 CST.

We are now operating with 1KW Non-Directional due to fire destroying our transmitter location. We use five towers in line during normal operation.

Thanks for your report.

Cordially,

  
David Armstrong  
Chief Engineer
