Dear Mr. Wesolowski,

We are only to glad to verify that you were receiving our station on October 7th this year. On checking our log and the two announcers on duty we find that you were tuned in during our Friday nite Football Scoreboard Show with Pat Githens and Bill Coolittle sponsored by Balch Buick of San Angelo. This program starts at 10:30PM and runs until sign-off time at mid-nite. Your report of October 7th from 11:49PM to 12:02AM CST was accurate for what you could receive. Our Chief Engineer is William Poteet.

Sincerely,

CHARLES W OWENS JR
Program Director
