Dear Ernest:

According to your letter you evidently picked up KIKM Radio on Sunday, April 14, 1976.

We are a 24 hour Top 40 - AM/FM station. Our letterhead indicates stereo Country music on our FM, which we were when we began operation on July 16, 1975; however, we now simulcast AM/FM with Top 40 music.

Enclosed you will find our coverage map and our current rate card.

Thank you for writing to us, and if you are ever in Texas, stop by Sherman and visit with us.

Sincerely,

B. Rex Samford
