Dear Mr. Wesolowski:

This will confirm your reception of KIKN on the morning of August 28th.

We are in the process of changing our coverage pattern, therefore, I do not have a current contour map. However, enclosed is a membership in the KIKN Country Club. I hope you'll put the decal on your rear window and let everyone know that KIKN has been heard in Omaha.

Thanks for your letter and stop by our studio on your way to Mexico.

Sincerely,

A handwritten signature in black ink that reads "Otis Dunagan, Jr." in a cursive style.
