This is to verify your reception of Radio Station K I T E of San Antonio, Texas on March 31, 1972 from 6:31 to 6:45pm. We changed to our directional antenna at local Sunset.

K I T E operates on 930 Khz. with 5000 watts daytime and a power of 1000 watts, directional at night. Our night pattern is mostly to the South at night, protecting WKY in Oklahoma City.

Thank you very much for your interest and visit here at K I T E Radio.

Best wishes to you in your hobby.

Sincerely yours;

Jim Shelton
