October 29, 1974

Mr. Ernest J. Wesolowski
1416 Pasadena Avenue
Omaha, Nebraska 68107

Dear Mr. Wesolowski,

This is to verify your reception of our signal on Sunday,
October 20, 1974.

We operate with a non-directional power of one-thousand
watts, daytime hours only. Our transmitter is by Gates and
our tower is 520 feet altitude.

Sincerely,

A handwritten signature in blue ink that reads "J. L. Thompson". The signature is written in a cursive style.

James L. Thompson
Program Director
