Dear Ernie:

I am very pleased to verify your reception of KPDN's regular frequency check of May 24th between 12:16 and 12:28 a.m., C.S.T. Many thanks for your report, and I'm always happy to verify.

I was interested in this being the second verie I've signed for you. For Roy Millar, I have verified KCOV, Corvallis, Oregon; KPAN, Hereford, Texas; KIKZ and KPDN! He, so far, gets the V-JAC award, hi!

KPDN operates from 6:00 a.m. to midnight six days, with a 7:30 s/on on Sunday, Central time.

By the way, I am news director and not chief engineer here. I have next to nothing in the way of technical knowledge, and I'm not much interested in learning, either, hi!

I enjoyed recent visits in Denver with Bill Nittler and Dallas John, and in Amarillo with Larry Godwin. I am looking forward to the N.R.C. convention in Cedar Rapids. It is good that relations between the two clubs have simmered down considerably faster than most people expected.

Thanks again for the reception report, and best wishes for continued fine DX.
