Dear Mr. Wesolowski:

Thank you for your letter monitoring K P S O. At times you specified we were running a frequency test, with breaks in the tone, as you mentioned. So I feel sure that you were indeed receiving K P S O and therefore can give your conformation of K P S O.

Thanking you again and we will be running the test in February as we discussed. We also received our night time pattern book and agree it is a very well done and valuable reference work. Thank~~s~~ very much for putting us on to it.

Best regards,
