Dear Mr. Wesolowski:

Please accept this letter as verification of your DX reception of KRGV Radio on Monday, October 10, 1966 from 2:30 AM to 3:00 AM, central standard time.

Your description of our special programming during that period of time coincides specifically with our official program log.

Many thanks for advising us of this DX reception of our hurricane coverage, and if you are ever in the Rio Grande Valley area, please drop by for a visit. Incidentally, as you know, we were very fortunate to escape the fury of Hurricane Inez.

Sincerely yours,

Don Forbes *sc*
