Dear Mr. Weolowski,

Thank you very much for the reception report. All of your information is correct. We were operating on a frequency measurement with Southwest Frequency Measurements Inc. in Austin on Tuesday Morning, January 19 from 4:45 A.M. through 5:00 A.M local.

WX - clear and cold 20 Degrees. 80 percent modulation.  
Sorry we don't have any QSL cards.

Yours truly,

  
Danny D. Speegle  
Assistant CE, KSFA
