

# K <sup>☆</sup>SIX Radio

CBS

Show Room Building  
Corpus Christi, Texas

April 11, 1973

Mr. Ernest J. Wesolowski  
1416 Pasadena Avenue  
Omaha, Nebraska 68107

Mr. Wesolowski:

Congratulations upon your successful pursuit of an interesting hobby. Your description of K-SIX transmission at 5:15 til 5:30am is precisely correct. We make the frequency measurement the first Tuesday of each month and April 3, 1973 was our scheduled test.

Happy hunting for you and your members.

Yours very truly,

*Eric M Beals*
