Omaha 7, Nebraska.

Dear Mr. Wesolowski:

Thank you for your letter and log reporting reception of KSKY in Omaha Monday Feb 23.

The log is very nice and checks very well. Some people do not send enough log to give much of a check. This is always a help in securing a confirmation of the reception.

By the way, just had a letter from a neighbor of yours, Mr. Murray Mann of 3702 S. 17th st, your city, who had picked us up on Feb 18 between 6 and 6:15P.

The interference you spoke of is the sky wave of WRCA coming in with the changing conditions in the evening hours.

Very truly yours
