Dear sir:

We were pleased to receive your letter dated March 6th. The information submitted to us was correct and you were in tune with KTFC -FM 103.3 at the time given.

We are presently broadcasting twenty-four hours per day, with the exception of Saturday evening when we sign off at midnight.

At the present time we are not broadcasting in stereo.

The transmitter and studios are located about four miles east of Sioux City. The antenna we use is 200 foot high with ten bay rings located near the top.

We are using a rust transmitter, and Magnecord recorders are utilized in our studios.

We were pleased to hear that you enjoy our programs and trust that you will be a regular listener.

P.S. Enclosed you will find  
a program schedule.

Sincerly

*Darwin R. Blackford*
