Dear Mr. Wesolowski:

This is to verify your reception report of KWOA AM-FM at Worthington, Minnesota.

KWOA AM operates daytime only with a power of 1 KW. Antenna is series fed and is 583 feet high.

KWOA FM operates 6AM/mid night year-round with an ERP of 39 KW. The FM antenna is 600 feet above average terrain.

The FM signal sometimes is received a thousand or more miles away due to freakish or unusual atmospheric conditions.

Thank you for your report.

Sincerely,

Paul H. Koopman
