Dear Sir:

We are writing to let you know that we received your Reception Report #71-FM-11 dated November 2, 1971. The items you heard on this broadcast were correctly listed.

The location for our new transmitter will be five miles east and two and one-half miles north of Louisville, Nebraska. We will probably begin construction on our new tower in the early spring and hopefully we will be on the air by the middle of the summer, if not sooner.

Sincerely,

KGBI-FM
