Dear Mr. Wesolowski:

Thank you for your Reception Report on our Lincoln station. We are most appreciative of the details you have furnished us.

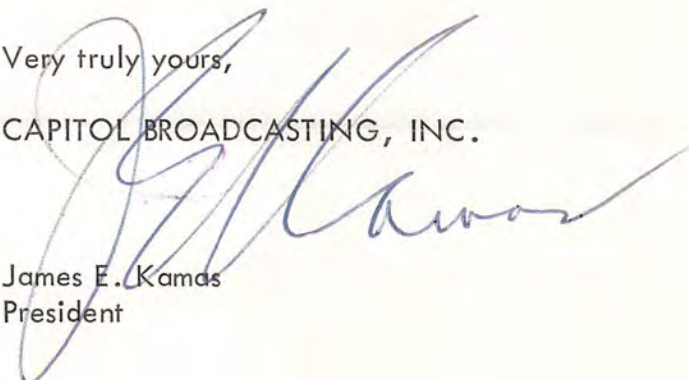

I am very surprised at the poor reception you indicate in your report. We have several families that are great listeners of KWHG in the northern part of the city who tell us they receive us continuously with the stereo signal in effect at all times.

Is there anyone in your organization who lives in the northern part of Omaha that could also give us a report?

Again, thanks for your report; this is a most interesting service that you and your organization are performing.

Very truly yours,
