Mr. D.F. Thomas,
Longwave Listening Post,
Radio W.U.M.S.,
PROCTORVILLE, Ohio, U.S.A.

Dear Sir:

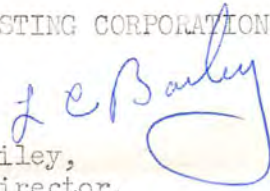

Thank you for your report of December 14th, 1964, on reception of CBR Calgary in Proctorville, Ohio. The information supplied was most interesting and we are pleased to verify the programming and times you have indicated.

The old radio station CBX, which was located at Lacombe, Alberta, was closed down on October 1st, 1964, and at the same time two new stations went into operation. CBR Calgary, with a power of 50,000 watts, took over the CBX Lacombe frequency of 1010 kc and CBX, operating with a power of 50,000 watts on 740 kc, continued the old Lacombe station call letters.

Thank you again for writing. Your interest in reception of CBR Calgary is sincerely appreciated.

Yours faithfully,

CANADIAN BROADCASTING CORPORATION

L.C. Bailey,
Technical Director.
