Proctorville, Ohio.

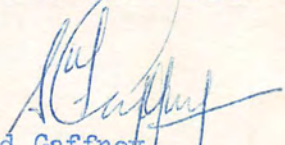

Dear Sir:

Thank you for your report on our DX activities of December 12/56. The C.W. was ours, broadcast at the opening. I monitored here on a Super Defiant, antenna 60 feet high 120 feet long, and could make out three stations on when we hit the air, and two on when we signed off.

Thank you for your interest and all best wishes for Christmas and the New Year.

Yours very truly,

BROADCASTING STATION CHAT,

Sid Gaffney,
Chief Engineer.
