Dear Sir:

Many thanks for your letter of February 14th,
in which you report reception of our station.

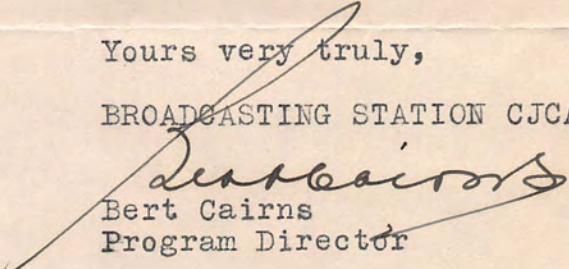

We are glad that reception was good and in
checking your detailed report, we find that it
corresponds with our log, and therefore, take
pleasure in verifying same.

In answer to your question if we have these
programs very often, we have a program from twelve
to one every Saturday night to the North West
Territories.

Thanking you again, and wishing you lots
of DX in the future, we remain

Yours very truly,
