Mr. David F. Thomas, Director  
Post Office Box 11531  
Tampa, Florida 33680

Dear Mr. Thomas:

We received your interesting report. You were having more difficulty than most of the "DX-ers" we heard from possibly due to local weather conditions. We had one other report from Florida, Mr. Gerry Thomas, in Gainesville.

We had several reports mentioning Star Dust and Careless Love and also the tune. We did not broadcast any of those numbers. We played musical selections by Bert Kaempfert and his Orchestra and songs by Glen Campbell. We also gave a weather forecast at 2:46 CST. We gave station breaks between each selection. The test lasted from 2:30 to 3:00 AM CST. We did not tune up the transmitter at 3:50.

Sincerely,

A handwritten signature in cursive script that reads "Robert F. Crandall".
