Mr. David F. Thomas  
Proctorville, Ohio

Dear David:

I received your report on our DX program of March 6th. We really do appreciate all of our Dx listeners and are sorry that we ran into as much interference as we did on our program. We plan to try it again soon in hopes of being luckier in broadcast conditions and in hopes of getting out better.

This will confirm your report and thanks again for your card.

Yurs sincerely,

*Charles B Tucker*
