Mr. David F. Thomas,

Proctorville, Ohio.

Dear Sir:

We appreciated the card we received from you very much and was glad to know that you picked us up on the 8th, and got our sunrise program. We have another sunrise program to-morrow the 15th and will have another on the 22nd of this month.

I believe this is the first time we have heard from any one in Ohio. On this same morning we were heard in Omaha, Nebraska, Hinsdale, Ill. Harvey, Ill. and from several points in Texas.

A few weeks ago we were picked up in Flint, Michigan and at Roanoke, Virginia.

I am enclosing to you one of our rate cards, on which you will find our schedule for broadcast, and if you ever happen to pick us up again, we shall be glad to hear from you. We have applied for a 500 Watt Station and we have had our hearing, but the Commission has not given us an answer yet.

Thanking you for letting us hear from you for we certainly got a thrill to know that you could hear us so clearly.

Yours respectfully,  
Radio Station KBTM,

By *Jay P. Beard*
