Dear sir

Fix for your card reporting reception of KBTM  
on the morning of Jan 9th 45 on our bi-monthly  
frequency check program. Glad to know that  
the old static grinder is getting out so well.  
Evidently the line matching network is doing its  
stuff. Thanks lat for Rpt.

Yours truly  
John E. Douglas W.S.H.C.P.

P.S. we have no veri cards.
