Dear Mr Thomas,

Thank you for your letter and further reception report.

We are pleased to be able to verify your reception of 1ZD at 09.35GMT on the 20th January 1964.

The details in your report are a little sketchy but you definitely heard 1ZD. The 09.35 NZBC News is broadcast by most N.Z. Commercial stations, however the weather forecast was read locally. We played "I'M IN THE MOOD FOR LOVE" at 09.53.

1ZD has received reports from many areas in the U.S.A., and some from Canada.

The most northerly report we have verified was from Elsa, in the Yukon Territory, of Canada.

In Ohio we have had reports from Lockburn A.F.B., Uniontown, Cleveland Heights, and of course, Proctorville. Reports from Colorado, Michigan, Texas, California, Ohio, New Jersey, Pennsylvania, Washington (Seattle), Minnesota, Indiana, and Vermont, are also on our files.

Thank you for the information on W.U.M.S, we were most interested.

I have posted, by surface mail, some information on Tauranga and district.

Kindest regards and good DXing,

A.S. DENNISON (ZL 1 AWP)

(Acting Supervising Technician)
