Hi Dave,

Sorry I can't confirm that you heard us. Evidently someone else was testing with tones as we didn't have any on till much later. I ran a lot of ID's on code, march music, & all that.

Enjoyed hearing that you heard KAAA from Red Wing, MN years ago. The former manager ~~there~~ there ran this station for years & still lives next door. Wally Stone. Grand guy. He grabbed KAAA for Kingman when Red Wing changed calls. We were KGAN at the time.

Thanks for your letter.
