JOAN ORR, MANAGER

P. O. BOX 250 - - NELSON, BRITISH COLUMBIA

Dear Mr Thomas,

Many thanks for your letter of January 28th date. I am really disgusted to tell you that our DX was not as good as we had hoped reports are coming in thick & fast & as soon as we have a complete picture I will send you full details if you like.

The night of the DX was really bad here will thank you & mind so please don't blame us too much! But I hope in the near future to do another DX than just watch our smoke. (I hope)

Oh by the way your small portrait! I am sorry I am not that old girl as in 1930. I was very young indeed for you see, (now comes the part on the back) besides being the only woman Station Manager in Canada I am also the youngest one ever being only 22, so it wasn't me, & I doubt if it was only any of my relations as of my family were either in Scotland or England at that time, I have only been in Canada 3 years. I don't know much about U.S.A. are there any chances

of breaking into retail there? What
is Ohio like, my one ambition now
is some time soon to see the States

Well Mr. Shan as long
I haven't heard you, I thank
a lot for your letter.

Sincerely
Yours
O. W.
