

International Broadcasting Company

CKNW WINDSOR HOTEL BUILDING
NEW WESTMINSTER, B. C.

January 22, 1945

Mr. David F. Thomas
Proctorville, Ohio
U. S. A.

Dear Sir:

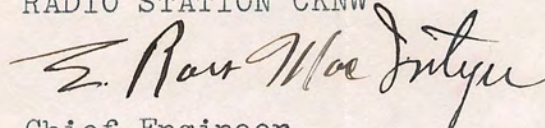

Thank you for your very fine report on the reception of CKNW. We have checked your report with our logs and this will serve as official verification that your reception report is correct.

CKNW uses a Western Electric 250 watt transmitter and a quarter wave vertical radiator. We are on the air eighteen hours daily, from 6:00 a.m. until 12 midnight PWT.

Thanking you again very kindly for your report, we remain

Yours truly,

RADIO STATION CKNW

Chief Engineer
