Mr. David F. Thomas
Proctorville, Ohio

Dear Sir:

I'm sorry, but I don't think we can confirm reception of our DX program on January 5th. Perhaps you may have heard a few fragments here and there, but apparently not enough to be sure.

Anyhow, here is a list of selections played during the first part of our program:

Military band selections:

"Maple Leaf Forever"
"Sabre and Spurs"
"O Canada"
"El Capitan"
"Giovinezza"

Erno Rapee Concert Orchestra:

"Marche Slav" - Tchaikowsky
"Tannhauser March" - Wagner
"Veil Dance" - Goldmark.

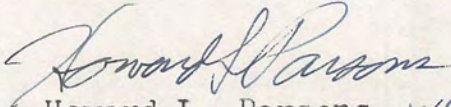

There were others, of course, but that will cover the first half hour. Call letters were given between each selection.

As far as I know, no whistling solos or bird imitations were on these discs, although I was not on duty at that time.

We have a DX program scheduled for the NNRC on February 12th. The time is tentatively set for 12:30 to 1:30 a.m. P.S.T. As I understand it, only WJBK is supposed to be on that morning.

Thanks for listening and for your letter. Better luck next time.

Yours truly,

Howard L. Parsons W6070
Chief Engineer
