Dear Mr. Thomas:

Thank you for your report on the reception you received from K-DAN on our recent test program of Feb. 4th.

Your findings were correct that you listed. Reception reports have come to us from all over the country. We had one report from New York where reception was very good for being so far away. Also had report from Ladner B.C. Canada and several other places quite some distance from here.

If you are ever out this way, come out to the station, we will be glad to see you.

Sincerely,

W.H. Hansen
