KEAR

#1 Nob Hill Circle  
San Francisco 2 - California  
EXbrook 2-4265

February 27, 1955

Dear Mr. Thomas. This will verify your reception of KEAR at 2:30 a.m. EST on Feb 20, 1955 during "High Fidelity" program.

The carillons were on a McIntosh record. Our FM call is KXKX. Your reception is unusual since our 10 kw power is directionalized toward the north. Many thanks for your report.

S. A. Cisler  
President

A handwritten signature in blue ink that reads "S. A. Cisler". The signature is written in a cursive style and is positioned below the typed name and title.
